The Ministry of Health of Ukraine (hereinafter - MoH) expresses its deep respect and gratitude for Ukraine's long-term sustainable support and healthcare system development.

To comply with legislative requirements, notably the State Anti-Corruption Program for 2023-2025, approved by the Resolution of the Cabinet of Ministers of Ukraine dated March 4, 2023, No. 220, the MoH is currently taking measures to establish a supervisory board at the state enterprise "Medical Procurement of Ukraine" (hereinafter - SE "MPU").

For the purposes of implementing measures and ensuring transparency in establishing the supervisory board of the SE "MPU", one of the key stages is the competitive selection of independent members of the supervisory board. This involves forming a Nomination Committee from key stakeholders to select and appoint independent members of the SE "MPU" supervisory board".

Given the above, the MoH invites representatives of the USAID Regional Mission to Ukraine to support the SE "MPU" on this path and to join the Nomination Committee. Your participation will significantly contribute to selecting candidates for independent supervisory board members with the necessary competencies, professional qualities, experience, and dedication to the SE "MPU" goals and the promotion of the general healthcare strategy.

As part of joining the Nomination Committee and adhering to the procedures for preventing conflicts of interest, the MoH applies for the signing of an Integrity Declaration.

Taking this opportunity, the MoH renews hope for further cooperation to strengthen the healthcare system in Ukraine.
